Dear Mrs. Manley,

I wrote to you a few months ago before I left the army concerning a try-out with your team and as of now I haven't heard from you. At this time I am asking again on what are my chances of getting a try-out?

During my stay in the army I played three years of baseball against big league opposition and did all right. I worked out a few times with the Baltimore Club.

I can play the infield or the outfield, bat left handed and throw right. I stand 5'8½ and weight 155 lbs.
